June 25, 2013

Dear families and friends of The Good Hope School,

For 45 wonderful years, The Good Hope School has been a pillar of educational excellence in our St. Croix community. We are thankful for the support of each of you as it has been through your unconditional partnership that we have been able to provide a college preparatory education to our children with a focus on the arts, academics, and athletics.

We are pleased to announce that The Good Hope School and the St. Croix Country Day School have committed to combine our collective resources into one new school. The combined school will be located at the Country Day campus and will be known as The Good Hope Country Day School. Together we will be better positioned to offer the best college preparatory school on the island of St. Croix. Key to the success of this exciting venture is your continued support and involvement.

With our commitment to combine, the Board of Trustees of both schools and our administrations will continue vigorous cooperation to prepare for the opening of the 2013-2014 school year; in short, we have much to do. In the coming weeks we will have many details to provide to our collective community and we look forward to updating you. However, we realize that you will have immediate questions. **Please join us on Wednesday, June 26, 2013, at 5:30 p.m. in the Ward M. Canaday Library** for a meeting with members of the Board of Trustees.

Regards,

Charles Lockwood, Esq.  
Chairperson, Board of Trustees

Raquel B. Cedano  
Head of School
