VIPSC HOSTS LISTENING SESSIONS ON THE TOPIC OF LIBERTYVI WIRELESS QUALITY OF SERVICE

U.S. VIRGIN ISLANDS – The Virgin Islands Public Services Commission (PSC or Commission) invites the public to attend upcoming Listening Sessions. PSC staff will be receiving comments and testimonies about LibertyVI Wireless (Liberty) quality of services, performance, and the experiences of Liberty subscribers.

PSC Docket 699 was ordered by the Commission in February 2024, to address issues of concerns by LibertyVI Wireless subscribers. The Commission encourages ratepayers to attend the Sessions, meet with our Utility Complaints Team, and engage with and learn about the agency and how we service our community.

Due to limited time and space, registration to provide testimony is required. Participants are strongly encouraged to provide written testimony and documentation as well.

The deadline to register is April 14, 2024. Comments can be emailed to psc.info@psc.vi.gov or mailed and/or hand delivered to:

Join VIHFA for a series of public hearings to discuss the launch of the Electrical Grid Grant, and to provide input on how funding can be used to benefit the community. Through the grant, \$10 million is available to public and private entities to address electrical unmet needs from post-disasters, and build long-term resilience against future threats.
